Christmases

If we talk about the proper plural form of the word Christmas that is Christmases. While referring to more than one Christmas, a Christmas of yesteryears, or a Christmas that would come in the future, we need to use Christmases.

In most circumstances, while framing a sentence this is the word which we need to use. There is no denying this [conviction](#) that in routine we prefer using the plural form of the word Christmas to use the possessive form of Christmas.

It is a fact that the probability to talk about multiple Christmases is high than it is to discuss something that is associated with Christmas.

Examples

A few Christmases ago my grandfather used to stay with us.

I fun I had during previous Christmases will always remain etched in my memories.

This year I am short of funds, however, I will be buying many gifts in the next few Christmases

My past few Christmases have been the best because I have spent them with my family

To my dismay, I haven't got a chance to see snow, so I am expecting my first few Christmases in the north to be white ones!

Christmas's

In routine discussions, it is uncommon to use Christmas as a possessive word, however, on a couple of occasions, you might. Christmas's is used when we use the word Christmas possessively. We need to use this word in rare circumstances

Christmases or Christmas's or Christmas'? Which is Correct? | 2

We have planned to invite various celebrities for Christmas's events this year.

Christmas'

There is another way to write Christmas as a possessive word is Christmas'. We can also express this form of the word when we are talking about a thing that belongs to Christmas. The usage of this word is highly uncommon.

Examples

We have to make numerous preparations to enjoy during Christmas' events.

When to Use the Extra S

There is no denying the fact that on rare occasions we need to use a possessive form of Christmas, however the question is how we would come to know that we suppose to use that additional S. The pertinent answer to this question is that it's a matter of personal choice. Although both **forms are accurate, adding the additional S is the preferred choice and the popular option.**

You can go with either option, add the additional S or not, the most considerable point is consistency. You need to refrain from writing Christmas's in one sentence and write Jones' in another. Rather you should write Christmas's and Jones's or Christmas' and Jones'.

Which One is Correct?

In a sizeable proportion of cases, Christmases will be the correct form of the word. We use this while discussing more than one Christmas, a past Christmas, or a Christmas that will occur in the future. Christmas's or Christmas' are incorrect in many cases. The probability of talking about something belonging to Christmas is highly unlikely.

Summary

Deciphering the correct way to discuss more than one Christmas is a [daunting task](#). **The prudent way to make Christmas plural is to write it as Christmases.**

The only rare occasions when we will use Christmas's or Christmas' is while
