content at no cost. Wikipedia is a prime example which contains information on every [worthwhile](#) topic. Secondly, it is a boon for the environment because it allows educators to study from anywhere, reducing road traffic and reducing pollution.

Essay Topic 2

In many countries schools have severe problems with student behaviour.

What do you think are the causes of this?

Sample Answer

In numerous nations, schools have acute issues with student attitude. The principal causes of this problem are distractions and the hectic schedule of parents. These days there are a plethora of devices and gadgets at the disposal of learners. They waste their quality time on them, do not complete the tasks, and often provide excuses to the educators. Apart from this parents, these days have a busy schedule and due to that they do not have sufficient time to teach moral values to their children,

Essay Topic 3

Many historic buildings are being destroyed or replaced. What are the reasons for this?

Sample Answer

Numerous historic buildings are being knocked down or replaced. Lack of space and chances of collapse are the two main reasons for this. Firstly, due to the burgeoning population government requires more land to accommodate people. Secondly, some monuments have grown old, and they could fall down. Therefore higher authorities destroy or replace historic buildings to create more accommodations and prevent old structures from collapsing.

Essay Topic 4

Some people argue that teenagers have lost moral values. What is your opinion?

Sample Answer

A few people assert that juveniles have lost moral values. I am in solidarity with this statement. Because in the contemporary epoch, technology has become an integral part of our lives. And there are numerous gadgets and devices at the disposal of adolescents that provide [instant gratification](#). Due to that, the central focus of the teenagers is on enjoyment, and they pay less heed to moral values.

Essay Topic 5

Public transport helps save money and curbs pollution over private transport. What do you prefer and why?

Sample Answer

There is no denying this [conviction](#) that public transport is a blessing because it empowers us to save money and mitigates pollution than private transport. I prefer private transport for two reasons which are safety and efficiency. In public transport, I do not feel safe because in a crowded place the chances of a mishappening are higher. Secondly, public transport consumes more time because buses and trains run according to a timetable. So our productivity goes up when we use our own vehicle.

Essay Topic 6

Some people argue that the government should spend money on Space research, while others say that the government should build hospitals. Which argument do you support?

Sample Answer

A few people assert that the higher authorities should utilize funds for Space research, whereas others opine that the government should construct more hospitals. In my opinion,

spending money on enhancing healthcare facilities is a [prudent](#) approach. Because this would make the population healthy, and due to that output will rise, and that would generate surplus funds which the establishment must use for space exploration. In nutshell, firstly the central focus needs to be on providing necessary healthcare and post that government should look for space research.

Essay Topic 7

If you have children, What would you do differently from your parents while bringing them up?

Sample Answer

For the correct upbringing of children, I will follow a beyond the conventional domain approach. To do so, I will set the right precedent by exhibiting the same behaviour I expect from my children. For instance, instead of telling them to work with discipline, I will myself work with a set plan in a disciplined way. This prudent approach will help me to befriend them.

Essay Topic 8

Why do some friendships last longer than others? Give your opinion

Sample Answer

There is no denying this conviction that friendship thrives primarily on trust. Due to this reason, when two friends provide [unabated support](#) to each other without any vested interest, it lays the foundation of a long-lasting friendship. Such friendship does not break even if some conflicts arise because the trust factor helps handle all problems [adroitly](#).

Essay Topic 9

generation?

Sample Answer

Being a youngster, I draw inspiration from the older generation and seek flashes of inspiration from them to lead my life towards an impressive growth trajectory. Although they have heaps of experience and knowledge, I can teach them about technology. By learning the usage of smartphones and gadgets, the elderly will have a fruitful life after retirement.

Essay Topic 13

What are the advantages and disadvantages of the seaside towns compared to inland towns?

Sample Answer

There is no denying this conviction that seaside towns have both benefits and pitfalls. The primary advantage is that you get plenty of options to enjoy life. You can play beach volleyball, water skiing, snorkelling, and do numerous other activities. On the other hand, the hot and humid climate is a grave concern.
